

Made in small batches in Boston, MA

BATCH # _____

Use Batch Scrub to exfoliate hands and body. Dead Sea salts detoxify skin and alleviate dryness, acne, psoriasis and many other ailments. Walnut shells and orange peel gently scrub away rough skin, while honey and specially infused grapeseed oil replenish moisture.

All Batch products have been formulated without the use of synthetics.

Ingredients: Epsom Salt, Dead Sea Salt, Apricot Shells, Lavender Flowers, Walnut Shells, Orange Peel Powder, Lavender Powder, Honey, Glycerin, Soy Lecithin, Witch Hazel, Rosewater, Grapeseed Oil Infusion (Chamomile, Lavender, Orange Peel, Birch Bark, Whole Coriander, Allspice, Star Anise)

To Use: Wet hands or body with warm water and gently massage into skin. Rinse and pat dry. Avoid contact with face, eyes and broken skin.
